CLINICAL EXPERTISE AND SPECIALTIES

Cardiology

A nationally ranked center for cardiac surgery. Leading edge transplant, device implants, vascular and other complex life- and limb-saving surgeries.

Neurologic Care

Fully accredited as a Comprehensive Stroke Center, the highest level awarded. Meets the rigorous standards needed to treat the most complex cases. Other services include advanced neurosurgical, neuro-interventional and spine care.

Critical Care

The emergency department is approved for adult and pediatric critical care, while the intensive care unit is nationally recognized for excellence.

Cancer Care

Comprehensive cancer care in one location, treating full continuum of care from diagnosis to survivorship. Recognized by the American College of Surgeons' Commission on Cancer, National Accreditation Program for Breast Centers and its Integrated Cancer Program. Home to a Breast Imaging Center of Excellence by the American College of Radiology.

CARING FOR OUR COMMUNITIES

Violence prevention and trauma care

Southland RISE collaboration with UChicago Medicine to prevent violence and serve South Side survivors. Trauma Recovery Center offers holistic approach to healing.

"Live...from the Heart"

Partnership with the Museum of Science and Industry to offer a video conference-based cardiovascular education program for high school students.

Community outreach and disease prevention

Free health screenings and medical clinics for under-served patients.
