NOT-FOR-PROFIT HEALTH SYSTEM

Advocate Illinois Masonic Medical Center named among the nation's best hospitals by Newsweek and US News and World Report for 2022, on Chicago's North Side is one of the state's largest, most comprehensive community teaching hospitals. It is affiliated with several universities and medical schools and provides a scholarly educational environment with an emphasis on clinical proficiency. There are currently over 250 residents and fellows across various areas of specialty. Illinois Masonic is a nationally recognized health care institution and a Level I Trauma Center and a Level III Neonatal Intensive Care Unit. It offers a wide range of medical specialties with advance treatment and state of the art technology and innovations for patient comfort and clinical excellence.
